

Perkins Glass and Screen, Inc. was established here in Santa Rosa, CA by Gary and Patty Perkins in 1978.

We are a one day service window glass company, we do it right, for a reasonable price. We do doors, replacement windows, and more.

If the single glazed windows in your home needs to be upgraded to Low-E, vinyl energy efficient windows, we can help.

Here at Perkins Glass, we can answer any and all questions concerning your glass or screen needs, and more.

We welcome Property Management Companies, Apartment Complexes, and Real Estate Agent inquiries.

--- NO JOB TOO SMALL ---

If you have failed insulated windows which need to be replaced, we can install new units which have a thermal break.
